PART 2 SCOPE AND EFFECT**2.1 Objects and Scope of ACDES**

The primary object of ACDES is to facilitate the distribution of Cash to the general community and the efficient exchange and distribution of Cash between Framework Participants as necessary to ensure there is an adequate supply of Cash to meet demand at Cash Points. ACDES is administered by Australian Payments Network Limited.

- (a) Framework Participants first apply to become Framework Participants, and in doing so, agree to be bound by these Regulations and the Procedures. These Regulations and the Procedures set out the functions and organisation of ACDES and important features of ACDES (such as payment and Settlement).
- (b) Each Framework Participant must enter into a Bilateral Agreement with each other Framework Participant with whom it wishes to enter into a Transaction. Those agreements will usually be executed between Framework Participants before any Transactions are entered into by them. The Bilateral Agreements will set out the general terms on which the Framework Participants agree to enter into Transactions with each other.
- (c) These Regulations and the Procedures set out the minimum matters that must be included in every Bilateral Agreement. However, other parts of each Bilateral Agreement may be individually negotiated by the Framework Participants who are parties to them (subject to the requirement that they must not be inconsistent with these Regulations and the Procedures).
- (d) Individual Transactions between Framework Participants will be evidenced by a Transaction File, Settlement Sheet or Standing Order. Each Transaction and its Transaction File, Settlement Sheet or Standing Order will form part of the Bilateral Agreement (that is, the Bilateral Agreement will operate as a master agreement for each Transaction made between the Framework Participants who are a party to that Bilateral Agreement). Amended effective 1/1/17
- (e) Bilateral Agreements between Framework Participants may contain the capacity for the Framework Participants to enter into Transactions in a number of ways, such as:
 - (i) through the exchange of Transaction Files (either as a Standard Transaction or an Emergency Buy); or Amended effective 1/1/17
 - (ii) under a Settlement Sheet (either as a Standard Transaction or an Emergency Buy); or Amended effective 1/1/17
 - (iii) under a Standing Order.

- (f) These Regulations provide for two types of interests which might be the subject of Transactions.
 - (i) Exclusive Title to Cash - for example, a sale of Cash held by a Framework Participant in its own vaults, which is then physically delivered from the Seller to the Buyer.
 - (ii) Cash Pool Title - a Framework Participant's title as a co-owner of a Cash Pool. A Transaction in Cash Pool Title could require that the Cash Pool Title be converted to Exclusive Title to Cash which would then be delivered to the Buyer. Alternatively, the Transaction could be an Intra-Pool Transfer, under which the ownership of the Cash Pool Title itself was transferred from the Seller to the Buyer without being converted to Exclusive Title to Cash.
- (g) These Regulations do not restrict a Framework Participant's ability to enter into transactions to buy and sell cash with people who are not Framework Participants or with Framework Participants outside ACDES. Any transaction made by a Framework Participant with a non-Framework Participant falls outside the scope of these Regulations and the Procedures.

2.2 Effect of Regulations and Procedures

- (a) ACDES has been established for the benefit of Framework Participants who, by and in consideration of becoming Framework Participants, acknowledge that they are bound to comply with the Constitution, these Regulations and the Procedures and to fulfil and perform every obligation and duty imposed on them by or pursuant to the Constitution, these Regulations and the Procedures.
- (b) These Regulations and the Procedures have the effect of a contract under seal:
 - (i) between the Company and each Framework Participant; and
 - (ii) between the Framework Participants.
- (c) The contractual relationship between the Company and the Framework Participants and between the Framework Participants forms part of an ongoing business relationship between such parties in relation to the Cash exchanged and settled for among Framework Participants in connection with Transactions.

2.3 Framework Participants act as Principals

- (a) In incurring rights and obligations under these Regulations and the Procedures, each Framework Participant acts on the basis that it assumes those rights and incurs those obligations as a principal, notwithstanding any other fact, matter or circumstance (including, without limitation, any actual or constructive notice of any agency relationship entered into by a Framework Participant for the purposes of its participation in any Transaction or the fact that Cash is being exchanged as an agent for the payee or another person).
- (b) No person other than the Framework Participant which assumes rights or incurs obligations under these Regulations and the Procedures (including any person asserting rights as a principal on whose behalf such a Framework Participant acts) may enforce those rights or assume those obligations.
- (c) Nothing in these Regulations or the Procedures shall affect the rights and obligations attaching to any Cash which are vested in, or may be acquired or incurred (whether at law, in equity or otherwise) by, any other persons.

2.4 Assignment and Transfer

The rights and obligations of each Framework Participant under the Constitution, these Regulations and the Procedures are incapable of being assigned (whether at law, in equity or otherwise), charged, transferred or the subject of any trust or other fiduciary obligation which may affect or abrogate the personal liability of that Framework Participant. No action which purports to do any of the foregoing shall affect in any manner the rights and obligations of a Framework Participant under the Constitution, these Regulations and the Procedures.

2.5 Insolvency

- (a) A Framework Participant must notify the Chief Executive Officer immediately upon becoming aware of:
 - (i) any Insolvency Event in respect of itself; or
 - (ii) any reasonable grounds to suspect any Insolvency Event in respect of any other Framework Participant.

- (e) In addition to any other rights, powers and privileges to which he or she may be entitled, each member of the Management Committee is at liberty to convey to the Framework Participant which nominated that member or, in the case of a member nominated by the RBA to convey to the RBA, such reports of the deliberations and decisions of the Management Committee which such member may think fit. The respective percentage shares of AMS for each Framework Participant will be calculated as follows:

- (a) the Company will collect data annually in relation to the volume and value of each Framework Participant's annual Transaction activity in ACDES on an annual basis, and aggregate that data to calculate the National Total Cash Value and National Total Cash Volume;
- (b) the Company will calculate the respective AMS for each Framework Participant's as a simple arithmetic average of that Framework Participant's percentage share of the National Total Cash Value and National Total Cash Volume;

- (c) the Company will calculate the respective AMS for each Framework Participant at least annually prior to the annual general meeting of the Company;

- (d) Where a meeting of the Management Committee is held and the chairman is not present within 15 minutes from the time appointed for the commencement of the meeting or is unable or unwilling to act, the members present may elect one of their number to be chairman of the meeting. - (b) A determination of the Board in relation to a Dispute referred to it under this Regulation 13.10 must be evidenced by a resolution of the Board and a Dispute Resolution Certificate and a determination so evidenced will be binding upon all parties to the Dispute (including, without limitation, any body corporate which, subsequently to the occurrence of the events giving rise to the Dispute, resigns as a Framework Participant pursuant to Regulation 4.9(b) or whose membership as a Framework Participant is terminated pursuant to Regulation 4.9(d)) until such time as a court of law or equity otherwise orders.
- (c) Where a determination of the Board is made and evidenced in accordance with Regulation 13.10, Regulations 13.2(b) to 13.9 inclusive will apply as if a determination of the Board in relation to a Dispute is a determination of the Management Committee in relation to that Dispute and the powers and duties of the Management Committee under those Regulations are powers and duties of the Board.
