

AusPayNet Register of Paper for MICR Encoded Documents

September 2024

Version 5.14

IMPORTANT DISCLAIMER

The information contained in this register has been compiled in good faith from the information provided by third parties. No representation or warranty is made by Australian Payments Network Limited (AusPayNet) as to the truth or accuracy of the information AusPayNet, its officers, employees and agents expressly disclaim all and any liability in respect of the information.

References to specific manufacturers of paper used to produce MICR encoded documents with descriptive names of the paper do not in any way represent or imply recommendation, endorsement or confirmation of its performance by AusPayNet.

The register is maintained by AusPayNet and only lists paper that has been submitted to AusPayNet for testing and found at the time of testing to have met the requirements set out in section 6 of the Magnetic Ink Character Recognition (MICR) Technical Specifications publication (as amended).

AusPayNet makes no representation that any paper identified by a descriptive name listed in the register necessarily complies with the requirements set out in Part 6 of the Magnetic Ink Character Recognition (MICR) Technical Specifications publication (as amended). Users may wish to conduct their own testing of such paper to ensure that it complies with section 6.

Users should note that manufacturers may change the specifications of their paper from time to time.

Register of paper for MICR encoded documents

Tested in accordance with the Australian Payments Network Limited (AusPayNet) specifications in Magnetic Ink Character Recognition (MICR) Technical Specifications publication [as amended]
